Manager's Corner

Hope everyone had a great holiday season and a happy New Year.

I've been working to update the club systems to be more electronic for communication, but running both has been quite time consuming. I didn't publish a December Newsletter because there was we did a mailing about the new board and a mailing about the Christmas Party which was the only news for the month of December.

This newsletter is a two month one, but going forward I will post a newsletter each month starting in March. If

you have anything that you want in the newsletter, please e-mail it to me. I'll be happy to include it.

Summer will be here before we know it.

In March we will begin hiring for our Summer Staff. Watch for information about hiring on the web site and in the March Newsletter.
